7 января православные празднуют Рождество Христово. Первые упоминания о Рождестве относятся к IV веку. В Евангелии сказано, что Дева Мария родила Иисуса в Вифлееме, в хлеву.

Символами Рождества стали Священные дары — золото, ладан, смирна, а также Вифлеемская звезда.

# *Šv. Kalėdų belaukiant*

До дня Рождества соблюдается Рождественский пост. Накануне Рождества, в Сочельник, готовят сочиво, распаренные злаки с мёдом) и кутью, а уже в само Рождество стол ломится от яств.

На Рождество принято гадать. Самое старое и популярное гадание – на воске. Можно гадать по теням, на нитках.

## Подблюдные гадания

Собравшись в тесный кружок, желающие испытать свою судьбу складывали в блюдо колечки, сережки, запонки и т. п. — по одной вещице с каждого, затем накрывали его салфеткой, встряхивали и начинали петь так называемые подблюдные песни.

С Рождеством Христовым поздравляем!  
На Руси сей праздник почитаем.  
После многодневного поста  
Ждем, когда взойдет звезда Христа.  
Всем желаем помнить в Рождество –  
Пусть уж двадцать столетий прошло, -  
Как Христос всем людям помогал,  
Блага, как мы вам сейчас, желал!

[Christmas traditions in Great Britain - YouTube](#)

**Christmas** is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25

**Read the text about CHRISTMAS and say whether the statements below are true or false.**

In Britain and America Christmas Day (December 25th) is a family day and normally spent at home. Preparations for Christmas usually start in advance, with the sending of Christmas cards and the putting up of decorated Christmas trees. These are usually put in the living room, although some families put them outside in the garden. This habit was popularized by Queen Victoria's husband, Prince Albert, who introduced the first Christmas tree from his native Germany in 1840. Father Christmas, or Santa Claus, is an important part of Christmas traditions. Each year he receives thousands of letters at his home in Finland from children all over the world.

Before going to bed early on Christmas Eve (December 24th) most British and American children hang up a stocking which they hope Father Christmas will fill with presents. Other gifts, or “Christmas boxes”, are bought and wrapped in brightly colored wrapping paper and then placed under the Christmas tree. These are opened on Christmas morning. After a traditional Christmas dinner or “roast turkey” many British families settle down and listen to the Queen as she gives her traditional Christmas message on television.

# Christmas carols

- Christmas carols date from the 12th century. They were simple songs, danced to on festive occasions. Later the Church gave them religious significance by changing the words. By the 16th century carols were being sung in almost every European language. Carols were revived in the 19th century and soon became known as Christmas Hymns often sang by wandering musicians called Carol singers.
